RE13 Metal Pan Ceiling Bracket INSTALLATION INSTRUCTIONS

**PLEASE READ THESE INSTRUCTIONS CAREFULLY BEFORE INSTALLATION AND LEAVE
A COPY WITH THE END USER FOR FUTURE REFERENCE.**

RE13 brackets are suitable for some but not all metal pan ceilings.

We suggest ordering a sample to test it on your exact ceiling make and model.

Install and use strictly in accordance with these instructions. Make sure that you have all the tools and equipment to complete the installation safely and correctly. Improper installation could cause harm to your property and/or person and void your warranty. It is the installer's responsibility to consider fire and safety risks and take appropriate precautions.

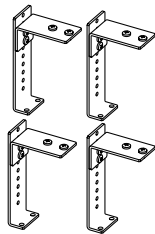

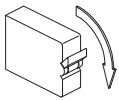

PLEASE NOTE: This is a 4-Piece Z Bracket - Adjustable Height for metal pan ceilings. Hole size for panel screw 4.7mm.

Identify installation location & check for any passing wiring/piping prior drilling and installing cables.

Note: Ensure chosen surface is of sufficient strength/thickness to withstand weight of LED fitting installation.

STEP 1

Turn the power off and check the accessories.

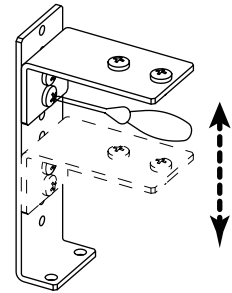

RE13 4pcs

PWA 4x8 8pcs

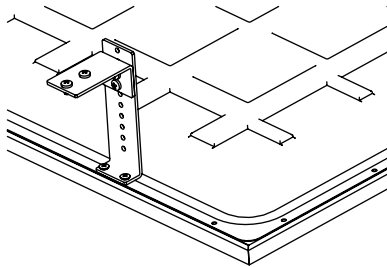

STEP 2

Adjust the height of the bracket according to thickness of the ceiling. Use the two top screws to make it flush.

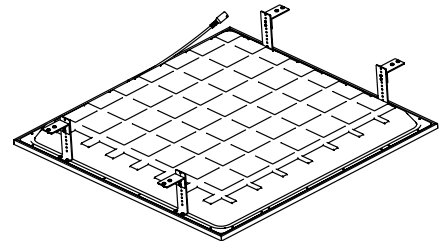

STEP 3

Use the PWA4x8 screw to fix the RE13 on the panel.

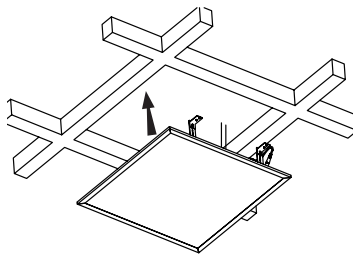

STEP 4

Fix all four brackets on the panel as shown in the image.

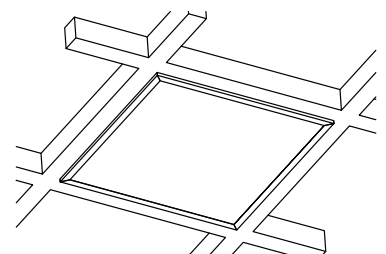

STEP 5

Connect the driver and stabilise the panel on the ceiling.

STEP 6

Installation complete. Turn the power back on and test.

WARRANTY

This product is in warranty in the UK for a period of 3 year from the date of purchase. The guarantee is invalid in the case of improper use, installation, tampering, removal of the Q.C. date label or installation in an improper working environment. Should this product fail during the warranty period, it will be replaced free of charge, subject to the aforementioned conditions and return of the faulty unit. We do not accept responsibility for any installation costs associated with the replacement of this product. Your statutory rights are not affected.
